The bank is desperately waiting for the bylaws, which need to be approved asap.
Note: we can always change the bylaws and mission statement on a later date.

I need 2 votes:

1. Vote on mission statement:

The mission of MUTT is "Giving Voice and Promoting Sustainable Trail Access for All Users and their Dogs".

2. Vote on bylaws: See attachment

Please email back to the group:

1. YES / NO
2. YES / NO

Dag,
Iris

Mission statement and bylaws are unanimously accepted - I am saving this email thread with all the MUTT documents as proof of our decisions.

I have sent off the bylaws to the bank.

1. I have asked Jim Fairburn if he wants to be on the board. Haven't heard back yet. Next up is Dan Harrell.
2. We are still waiting for the non profit status from the IRS - things are a bit in limbo till then.
3. I like to finish up the non profit status first before changing addresses and officers on all the paperwork, to not hold up the non profit application process.

Dag,

Iris
